Pakistan is currently not under a hybrid system but under “martial law”

Pakistan is In " complete dictatorship "

USPA NEWS - Pakistan is currently not under a hybrid system but under “martial law” and complete dictatorship. A clear example of this is President Trump meeting Asim Munir instead of Shehbaz Sharif and Zardari because he also knows that Asim Munir has all the power – that is why I also say that negotiations should be with those who have the power.

Drone attacks and the loss of innocent lives in areas of Khyber Pakhtunkhwa are extremely saddening. I have protested and marched all over the world against American drone attacks in Pakistan and my stance on this issue is before the world. Every time innocent people are killed, terrorism increases. The Khyber Pakhtunkhwah government should register FIRs against those responsible for drone attacks.

The people of Khyber Pakhtunkhwa voted with trust in me. That is why I had said that before the budget, Ali Amin, Muzammil Aslam, Omar Ayub, Shibli Faraz and Taimur Jhagra should come and brief me on the budget. Before passing the budget, Ali Amin and the Khyber Pakhtunkhwa government should have gone to the Supreme Court and told that the head of the ruling party of Khyber Pakhtunkhwa is Imran Khan and we have to take instructions from him regarding the budget, without which even the IMF will not accept the budget.

Now I am giving clear instructions again that the Khyber Pakhtunkhwa government should approach the Supreme Court. This is not a final budget. The same advisory team should meet with me and then the budget should be approved by including the amendments I suggest.

At a time when other provincial governments are not giving surplus budgets, giving surplus from the funds of the people of Khyber Pakhtunkhwa is tantamount to giving benefit only to the illegitimate federal government. I will not allow the people of Khyber Pakhtunkhwah to suffer any loss.

"In these difficult times, when the mainstream media has been strangled or bought, I pay tribute to the way social media has raised the voice of truth. It is because of social media that the voice of the people is alive."
